

GOALS

- 1.To engage with the development of a sustainable corporate strategy
- 2.To acknowledge sustainability as a driver for our company's growth
- 3.To reduce CO2 emissions and have a positive impact

ACTIVITIES

ianusGroup aspires to have the support and commitment of its employees to achieve greater sustainable development in the company by carrying out collaborative action, both internally and externally.

INTERNAL

Developing sustainable team building activities

Collecting food for charity

Creating monthly green challenges for the team to be, think and act more responsibly

Offering environmental education and training

Collecting bottle caps for charity

EXTERNAL

Continuing our commitment with Fruitful Office

Supporting solidarity/sports events

Cooperating with CSR & Sustainability related initiatives
